

§ 202.14

12 CFR Ch. II (1–1–16 Edition)

(iii) Marital status, using the categories married, unmarried, and separated; and

(iv) Age.

(2) *Dwelling* means a residential structure that contains one to four units, whether or not that structure is attached to real property. The term includes, but is not limited to, an individual condominium or cooperative unit and a mobile or other manufactured home.

(b) *Obtaining information.* Questions regarding ethnicity, race, sex, marital status, and age may be listed, at the creditor's option, on the application form or on a separate form that refers to the application. The applicant(s) shall be asked but not required to supply the requested information. If the applicant(s) chooses not to provide the information or any part of it, that fact shall be noted on the form. The creditor shall then also note on the form, to the extent possible, the ethnicity, race, and sex of the applicant(s) on the basis of visual observation or surname.

(c) *Disclosure to applicant(s).* The creditor shall inform the applicant(s) that the information regarding ethnicity, race, sex, marital status, and age is being requested by the federal government for the purpose of monitoring compliance with federal statutes that prohibit creditors from discriminating against applicants on those bases. The creditor shall also inform the applicant(s) that if the applicant(s) chooses not to provide the information, the creditor is required to note the ethnicity, race and sex on the basis of visual observation or surname.

(d) *Substitute monitoring program.* A monitoring program required by an agency charged with administrative enforcement under section 704 of the Act may be substituted for the requirements contained in paragraphs (a), (b), and (c) of this section.

§ 202.14 Rules on providing appraisal reports.

(a) *Providing appraisals.* A creditor shall provide a copy of an appraisal report used in connection with an application for credit that is to be secured by a lien on a dwelling. A creditor shall comply with either paragraph (a)(1) or (a)(2) of this section.

(1) *Routine delivery.* A creditor may routinely provide a copy of an appraisal report to an applicant (whether credit is granted or denied or the application is withdrawn).

(2) *Upon request.* A creditor that does not routinely provide appraisal reports shall provide a copy upon an applicant's written request.

(i) *Notice.* A creditor that provides appraisal reports only upon request shall notify an applicant in writing of the right to receive a copy of an appraisal report. The notice may be given at any time during the application process but no later than when the creditor provides notice of action taken under § 202.9 of this regulation. The notice shall specify that the applicant's request must be in writing, give the creditor's mailing address, and state the time for making the request as provided in paragraph (a)(2)(ii) of this section.

(ii) *Delivery.* A creditor shall mail or deliver a copy of the appraisal report promptly (generally within 30 days) after the creditor receives an applicant's request, receives the report, or receives reimbursement from the applicant for the report, whichever is last to occur. A creditor need not provide a copy when the applicant's request is received more than 90 days after the creditor has provided notice of action taken on the application under § 202.9 of this regulation or 90 days after the application is withdrawn.

(b) *Credit unions.* A creditor that is subject to the regulations of the National Credit Union Administration on making copies of appraisal reports available is not subject to this section.

(c) *Definitions.* For purposes of paragraph (a) of this section, the term dwelling means a residential structure that contains one to four units whether or not that structure is attached to real property. The term includes, but is not limited to, an individual condominium or cooperative unit, and a mobile or other manufactured home. The term *appraisal report* means the document(s) relied upon by a creditor in evaluating the value of the dwelling.
